E-BLAST Independent Contractors

ALERT! ALERT! ALERT!

- Do you employ independent contractors or owner operators?
- Are you providing your owner operators or independent contractors lease purchase agreements?
- Do you finance any of your independent contractors or owner operator tractors?
- Are you aware that there's an increased aggressive posture taken by the Federal and State governments in reference to reclassifying independent contractors as employees?
- Did you know that there's a new whistle protecting law that's in effect in which an independent contractor can fill out a form claiming employee status? He is provided whistle blowing protection and the IRS is notified to investigate the alleged employer.
- Did you know that some states have already made it mandatory to purchase workers compensation for independent contractors?
- Did you know that there is an alternative program available that will further separate the independent contractor agreement from an employee status?
