How to Improve Cash Flow and Reduce Operating Expenses

- **Can't cash flow your business?** – The Partnership Program will give you money day of dispatch.
- **Are shippers not paying you on time?** – A Partnership Program will solve all problems.
- **Can't cash flow your fuel costs?** – A Partnership Program will give you money for fuel.
- **Can't afford insurance deposits?** – A Partnership Program will provide automobile and cargo legal liability insurance.

This necessitates no further 25% - 30% deposits for insurance auto liability and cargo coverage, and allows you to increase cash flow:

- **Can't fill your back hauls?** – A Partnership Program can help you in developing and loading empty trucks.
- **Did a customer go out of business** leaving you holding a worthless account receivable? – A Partnership Program wills quota the loss.
- **Want to set up a brokerage operation** but can't pay the carriers due to lack of cash flow? – A Partnership Program will pay the carrier, pay you, and pay the shipper.
- **Are you factoring your receivables and is the factor strangling your cash flow?** Are you being charged back after 90 days? – A Partnership Program is the lender. They provide the credit checks, receivable financing, and if they approve the credit, they do not charge back.
- **Want to expand your sales network** but can't afford the cost of hiring a sales person? – Many Partnership Programs provide sales and marketing through their network of sales people and agents.

Due to the fact that many of our partners operate in all 48 states, this can increase your overall ability to obtain additional freight.

- **Want to cross sell your customer base,** but don't have the expertise or the equipment? – Many Partnership Programs provide refrigerated, van, flatbed, and intermodal services.

In fact, some of our customers also have their NVOCC license and ship overseas.

A Partnership Program will provide the entire above, plus:

- Direction of DOT, and;
- Logs and audits.

This program allows you to focus on your core business – running a trucking company.
