Evans Transportation Services Retains Ahern and Associates to Further Transportation Management Acquisitions and Strategic Goals

Transportation management specialists Ahern and Associates to aid Evans Transportation Services with future growth strategies by targeting supply chain management acquisitions.

Phoenix, AZ, July 27, 2009—Evans Transportation Services, one of the nation's leading providers of transportation logistics has engaged the services of Ahern and Associates to secure a profitable non-asset based transportation management acquisition.

With over twenty years of experience in the practice of logistics utilizing only the latest in technological advancements, Evans Transportation Services seeks to expand their already growing business through the acquisition of a profitable transportation logistics company. Acquiring an additional entity to fuel the growth of Evans Transportation Services will further their ability to improve customer cycle times, reduce inventory levels and improve order fill rates.

Assigned with the task of seeking out their acquisition target are the skilled consultants at Ahern and Associates, North America's leading trucking and transportation management firm. Charlie Keepman, Executive VP of Evans Transportation Services, explains why they selected Ahern and associates, "We interviewed several firms and found that Ahern's knowledge and experience within the transportation industry is unsurpassed and we were particularly impressed with how they were most interested in what we were trying to accomplish and how they could best meet our needs."

A.W. Ahern, CEO of Ahern and Associates agrees. "Our firm has always put our customer's needs first and we'll work harder than anyone to find the perfect acquisition which aligns with our clients' goals."

It seems that if all goes well, Evans plans to extend their growth plans into the near future says Keepman, "By applying our current, successful business model to future growth initiatives, we expect continued growth and look forward to future acquisitions in 2010."
